Catholic Social Teaching- The Catholic Social Teaching focus for this half term is '**Human Dignity**'.

The Catholic Church proclaims that human life is sacred and that the dignity of the human person is the foundation of a moral society. We believe that every person is precious, and that the measure of every institution is whether it threatens or enhances the life and dignity of the human person. Human dignity can be protected and a healthy community can be achieved only if human rights are protected and responsibilities are met.
