The word of the week is 'Idealistic'. Please display and promote its definition and use wherever possible.

CCTV- In common with most school and many organisations we operate a CCTV system in St Gregory's. The majority of our cameras observe and record external areas of the school. The purpose of these cameras is to support the school in maintaining a secure and non-threatening environment for the pupils, staff and visitors. The recorded images, which are retained for 28 days are only ever viewed by the school's senior and site staff. Exceptionally if a trespass is observed those specific images may be requested by the police.
