The background of the entire page is a photograph of the Eiffel Tower in Paris, France, illuminated at night. The tower's golden lights contrast with the dark blue and black sky. The base of the tower and the surrounding area are also lit up, with some city lights visible in the distance.

Three playing cards in a row. Can you name them with these clues? There is a two to the right of a king. A diamond will be found to the left of a spade. An ace is to the left of a heart. A heart is to the left of a spade. Now, identify all three cards.

ECO COMMITTEE

This year's Eco Committee has made a very enthusiastic start. They have completed a whole-school Environmental Review; developed an Eco Action plan; planned, coordinated and delivered a highly successful school-wide energy campaign; sorted and packaged up over 50 computer toners for recycling and prepared a school-wide educational campaign on the new Eco Schools topic - Marine. In addition, five Eco Committee reps were invited to attend Keep Britain Tidy's Big Spring Clean Event Launch at the Houses of Parliament in January. Well done to:

ECO GARDEN CLUB

In addition to their many activities in the Eco Garden, pupils have been keen to help out in the local community. They took part in a project to renovate the banks of the brook running through Woodcock Park. On another occasion, pupils teamed up with children from Uxendon Manor Primary School to plant hundreds of bulbs in the park and in the flower bed along Woodcock Hill. Pupils who have shown excellent enthusiasm for and attendance at Eco Garden activities are:

Andrea Julien 7B

Mary Ferguson 7J

Jovita Pereira 7L

A handful of Y12 pupils have been attending Eco Garden Club as part of their skills development for their DofE Silver Award. They have been a great help in the garden and a shining example to younger pupils:
