Equality Policy, Information and Objectives Booklet

March 2021

This document is based on the templates provided by Brent L.A.

A full version of this document is available from the School on request.

1. School policy statement on equality and community cohesion

- We try to ensure that everyone is treated fairly and with respect.
- We want to make sure that our school is a safe, secure and stimulating place for everyone.
- We recognise that people have different needs and we understand that treating people equally does not always involve treating them all exactly the same.
- We actively promote British values such as “mutual understanding and respect” and equality between girls and boys, supporting ideals such as democracy, respect and tolerance for all races, cultures, faiths and beliefs.
- We recognise that for some pupil’s extra support is needed to help them to achieve and be successful.
- We try to make sure that people from different groups are consulted and involved in our decisions, for example through talking to pupils and parents/carers, and through our Student Parliament.
- We aim to make sure that no-one experiences harassment, less favourable treatment or discrimination because of their age; any disability they may have; their ethnicity, colour or national origin; their gender; their gender identity or reassignment; their marital or civil partnership status; being pregnant or having recently had a baby; their religion or beliefs; their sexual identity and orientation.

We welcome our general duty under the Equality Act 2010 to eliminate discrimination, to advance equality of opportunity and to foster good relations, and our specific duties to publish information every year about our school population; to explain how we have due regard for equality; and to publish equality objectives which show how we plan to tackle particular inequalities, and reduce or remove them.

We also welcome our duty under the Education and Inspections Act 2006 to promote community cohesion.

We welcome the emphasis in the Ofsted inspection framework on the importance of narrowing gaps in achievement which affect, amongst others:

- pupils from certain cultural and ethnic backgrounds
- pupils who belong to low-income households and pupils known to be eligible for the pupil premium
- pupils who are disabled
- pupils who have special educational needs
- boys in certain subjects, and girls in certain other subjects.

2. Responsibilities

One named governor Mr Frederick, Chair of Governors, takes the lead, but the governors as a whole are responsible for:

- drawing up, publishing and implementing the school’s equality objectives
- making sure the school complies with the relevant equality legislation; and
- monitoring progress towards the equality objectives and reporting annually.

The headteacher is responsible for:

- making sure steps are taken to address the school’s stated equality objectives;
- making sure the equality, access and community cohesion plans are readily available and that the governors, staff, pupils, and their parents and guardians know about them;
- producing regular information for staff and governors about the plans and how they are working;

- making sure all staff know their responsibilities and receive training and support in carrying these out;
- taking appropriate action in cases of harassment and discrimination, including prejudice-related incidents;
- enabling reasonable adjustments to be made, in relation to disability, in regard to students, staff, parents / carers and visitors to the school.

All staff are responsible for:

- promoting equality and community cohesion in their work;
- avoiding unlawful discrimination against anyone;
- fostering good relations between groups;
- dealing with prejudice-related incidents;
- being able to recognise and tackle bias and stereotyping;
- taking up training and learning opportunities.

Mr McNulty (Deputy Head) is responsible overall for dealing with reports of prejudice-related incidents.

Visitors and contractors are responsible for following relevant school policies.

The Equality Act 2010 requires us to publish information that demonstrates that we have due regard for the need to:

- **Eliminate unlawful discrimination, harassment, victimisation** and any other conduct prohibited by the Equality Act 2010.
- **Advance equality of opportunity** between people who share a protected characteristic and people who do not share it.
- **Foster good relations** between people who share a protected characteristic and people who do not share it.

3. Information about the pupil population

Information on pupils by protected characteristics

The Equality Act protects people from discrimination on the basis of ‘protected characteristics’. Every person has several of the protected characteristics, so the Act protects everyone against unfair treatment.

The Equality Act defines disability as when a person has a ‘physical or mental impairment which has a substantial and long term adverse effect on that person’s ability to carry out normal day to day activities.’

Number of pupils with disabilities: **103**

There are pupils at our school with different types of disabilities and these include:

7. Equality Objectives 2020-24

The Equality Act 2010 requires us to publish specific and measurable equality objectives. Our equality objectives are based on our analysis of data and other information. Our equality objectives focus on these areas where we have agreed to take action to improve equality and tackle disadvantages. We will regularly review the progress we are making to meet our equality objectives.

Equality objectives
1. All learners to maximise their potential in examination results (particularly GCSE) each year. Measured by individual learner's performance and the school closing gaps between attainment and progress between groups in the school. Due to the Coronavirus, examinations in the summer of 2020 were cancelled.
2. Pupils' attendance to be outstanding (figures will be revised to keep in line with government requirements). To ensure that <u>all</u> students have access to the curriculum. Measured by analysis of attendance data. Due to the Coronavirus, there are no national attendance figures available for the academic year 2019-2020.
3. All new buildings, refurbishments and facilities will be planned to take account of the needs of all users in respect of equality of access. Disability access will be improved each school year in line with the school's accessibility plan.
4. To improve the uptake of A Level Mathematics and Physics by female students. Measured by analysis of Sixth Form cohort data. In September 2020, 16 female students are studying A Level Mathematics and 2 female students are studying A Level Physics.

These objectives were endorsed (after consultation) by the full Governing Body in February 2020.

Progress being made in relation to each objective was reported to the following groups:

- All Staff (January 2021)
- Staff Forum (January 2021)
- SLT (January 2021)
- Student Parliament (December 2020)
- Parents Forum (December 2020)
- Full Governing Body (February 2021)

8. How we have due regard for equality

The information provided here aims to show that we give careful consideration to equality issues in everything that we do.

We are aware that we are required to have due regard to the need to **eliminate discrimination, harassment and victimisation** and other conduct that is prohibited by the Equality Act 2010.

The information below is a summary of how we are aware of this particular requirement and how we respond to it. Please contact us if you would like to see copies of any of our school policies (see **Appendix 1**).

1. We are aware of the requirements of the Equality Act 2010 that it is unlawful to discriminate, treat some people less fairly or put them at a disadvantage.
2. Our governing body have had training on the Equality Act 2010. When governors consider equality issues in relation to policies, decisions and services, a record of this is kept in the minutes and papers of governing body meetings.
3. We try to keep an accurate record, when possible and appropriate, of the protected characteristics of our pupils and employees.
4. The school participates in Black History Month.
5. We have a Good Behaviour Policy which helps pupils develop a standard of behaviour that demonstrates self respect, self discipline, respect for others, their property, the environment and the local community.
6. We have a School Anti-Bullying Policy that demonstrates the zero tolerance of all forms of bullying, including: bullying on the protected characteristics.
7. We deal promptly and effectively with all incidents and complaints of bullying and harassment that may include cyber-bullying and prejudice-based bullying related to disability or special educational need, ethnicity and race, gender, gender reassignment, pregnancy or maternity, religion and belief and sexual orientation. We keep a record of all such incidents and notify those affected of what action we have taken. We provide training to all staff in relation to dealing with bullying and harassment incidents.
8. We have a special educational needs and Disability (SEND) policy that outlines the provision the school makes for pupils with *SEND*.
9. We have an Accessibility Plan that strives to create an inclusive approach to the education of our pupils and for the dignity of our visitors.
10. We have an Equalities Policy that draws together the school's previous policies in respect of Disability, Diversity, Gender and Race. It includes all of the protected characteristics identified in the Equalities Act 2010.
11. Our admission arrangements are set by Governors and comply with Diocesan, L.A. and Government procedures.
12. Our complaints procedure sets out how we deal with any complaints relating to the school.
13. We aim to observe and implement the principles of equal opportunities and non-discrimination in our employment practices.
14. We have procedures for addressing staff discipline, conduct and grievances.
15. All staff have a copy of the Staff Handbook and Code of Conduct outlining school expectations of staff.
16. We achieved the Equalities Award in February 2012, 2016 and once again in February 2020.
17. We have appointed an Equalities and Diversity coordinator and established an Equalities and Diversity working party.

Under the Equality Act 2010, we are also required to have due regard to the need to **advance equality of opportunity** and **foster good relations**. This includes steps we are taking to tackle disadvantages and meet the needs of particular individuals and groups of pupils.
