## **SANCTIONS**

Our Rewards and Sanctions Systems are designed to promote the observance of the school rules and routines. Notable good behaviour, effort and / or consideration is recognised and rewarded through the school reward system. Rewards include praise, commendations, post-cards sent home and acknowledgement at assembly. Positive encouragement is the primary means by which we seek to promote the rules and routines.

However, students must act in a thoughtful manner and not put their health and safety or that of other members of the school community at risk. Reckless behaviour will be viewed very seriously by the school. To disregard the rules and routines, deliberately or thoughtlessly is a discourtesy to fellow students and to staff.

In cases where rules are broken (or in response to all non-criminal bad behaviour and bullying which occurs anywhere off the school premises and is reported to the school); the school will apply a variety of sanctions which may include a reprimand, additional work assignments, lines, being put on report or signing a behaviour contract, loss of privileges, community service, e.g. litter picking or detentions. Serious and / or persistent breach of school rules may result in temporary or permanent exclusion to protect the wellbeing and progress of the St Gregory's Community. Please note that disciplinary action (as outlined above) will be taken against students who are found to have made malicious allegations against school staff. Moreover, if it is established that an allegation has been deliberately invented, the police may be asked to consider what action may be appropriate.

## **DETENTIONS**

Students may be detained by members of staff at lunchtime, on Saturday morning, during Inset days or after school (without notice until **4.00pm**) in order to ensure students complete assigned work and to spend time reflecting on their conduct. Longer after school detentions will be advised at least one day in advance by telephone or written notice in the student's Homework Diary.

The Headteacher and Governors always reserve the right to admit and exclude students on a fixed term or permanent basis.

The rules and routines outlined here are designed to make school life as pleasant as possible for all members. To co-operate with those rules and routines is to share the collective responsibility that we all have. The rules are designed to emphasise the integrity and importance of the individual which we value so much and which proves the corner-stone of our entire educational thinking.

## **ANTI – BULLYING PROCEDURES**

Bullying (in or outside of school) is unacceptable and will not be tolerated at St Gregory's Catholic Science College. Bullying can take many forms, but three main types are:

- Physical: hitting, kicking, taking belongings
- Verbal: name-calling, insulting, making offensive remarks
- Indirect (including Cyber bullying): spreading nasty stories about someone, exclusion from social groups, being made the subject of malicious rumours, sending malicious emails or text messages on mobile phones

Where bullying is discovered it is always punished. In serious or subsequent cases, the bully's family will be invited to come to school so that an agreement can be reached on future behaviour. In extreme and / or repeated incidents, a bully may be excluded for a fixed term or permanently.

Parents who believe that their child is being bullied should immediately contact the relevant Form Tutor and / or Head of Year. If these staff are not available or they have been unable to allay or resolve the parent's concerns, the Pastoral Deputy Headteacher should be contacted.
